

MAPPING GOD'S BLOODLINE

Includes everyone whose ancestry can be directly traced all the way back to Adam and Eve according to the biblical record.

Red indicates the bloodline from God the Father to God the Son, Jesus Christ. Other colors show the twelve tribes of Israel (descendants of Jacob).

Father-son and father-daughter relationships only. *Exception:* Mary is shown as the spouse of Joseph and the mother of Jesus.

Some relationships shown may indicate more distant ancestry than the usual father-child lineage.
